  - b. The **AutisMe App** is has completed its 6 months trial and feedback is being collected on how useful it has been and if any changes need to be made to the app. The Rutland Autism Focus Group has given their feedback to this.
  - c. The **'At Risk' Register** is still being put together. This is a register that will prevent people on the ASD spectrum not to fall into the criminal system because they do not have the right support in place.
