# Jobcentre Plus

- We had a really good day at Oakham Library with the Job Centre, we saw 8 people in one morning
- Job Centre have agreed to come back in 2016, we are just finalising the dates for them coming at the moment

# Volunteering

- We have a new volunteer at Brightways who will be helping to answer the phones and open the door
- His name is Rory

# Courses

- We had 8 people come to the CV Course that RCC and National Careers Service ran
- They all said how much they learnt and enjoyed it
- We would like to run a session on Social Media as people were asking about it, so if you are interested please let me know
