

Out of Hours Club Rutland

JUNE 2016

We at Out of Hours Club Rutland aims to bring together vulnerable young adults in Rutland in order for them to independently move around the local area unsupported by their parents or family members but by age appropriate 'leaders', to encourage socialisation and independence. We also aim to have enjoyable recreational activities such as going to the pub, having meals out, going to the cinema/theatre. bowling and having days out with their peers.

Last year was a great success thanks to the funding from our three benefactors **Rutland Grants, Leicestershire and Rutland Community Foundation** and **Irwin Mitchell Solicitors**.

This year the vulnerable adults has chosen to do various activities including going to the cinema, zoo, Cadbury's World and the theatre to see Sister Act which we are able to do thanks to funds received from **Leicestershire and Rutland Community Foundation** and **Irwin Mitchell Solicitors**. For more details of the activities or dates please see overleaf.

We want the young adults' confidence, ability and independence to continue to grow and will continue to meet on the first Thursday of each month at the Railway Inn in Oakham. This is one of the Keep Safe places which some of our vulnerable adults have grown accustomed too. We will also continue meeting on the third Thursday at designated venue unless the activity was booked for an alternative day.

Although we have had a very successful year, we now need more funds to be able to continue and to grow.

For our vulnerable young adults to be able to experience what other young adults do naturally the activities needs to be explored and carefully planned to ensure their safety.

To do this we need to employ age appropriate personal assistants/leaders to support our young adults.

Therefore, if you could provide funds or grant in order to either pay towards

- personal assistants
- an activity
- transport

please contact us.

Thank you.
