

WHM Work Connections

Set up in July 2011, WHM Work Connections provides person centred support for adults with disabilities to increase independence; develop valuable life and work skills; to pursue work opportunities; engage in meaningful day time occupation and to enable individuals to have choice and control over their own lives.

Working flexibly with service users, their families/ carers and other professional

– WHM Work Connections will develop and grow according to the identified needs of its service users.

Our Services...

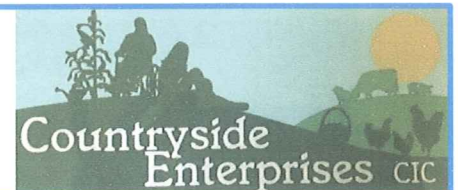

Greenfields Skills Centre- This is our farm based service offering great facilities for individuals to develop skills and opportunity to take part in a range of meaningful day time occupation. Opportunities include; Animal Care, Horticulture, Life skills, Cooking sessions, Rural Arts & Crafts, Conservation, Mechanics, Woodwork, Further Education (City & Guilds) and Work Skills.
