

Improving lives of people with sight loss

Vista is the organisation that provides services for people with sight loss

Vista Presentation by Rory O'Neill

There is one shop in Rutland. This is in Oakham High Street next to Diggles the Jewellers.

The shop sells good quality clothes, puzzles, children's toys and books.

These items are sold upstairs.

Vista has three other shops in Leicestershire. One in Coalville, Wigston and Loughborough.

If you would like more information about Vista services there is a helpline number.

The number is 0116 2498839
