Autism Partnership Board

Farai Kapswara told us that the last meeting in May had been cancelled. Farai told us that Autism Awareness week was in April, but we should all continue to raise awareness around Autism and share information where we can.

There is a lot of work being done with prison staff to raise awareness around Autism and give access to training through the Leicestershire Social Care Development Group (LSCDG). The Oakham Library is being refurbished and will be an Autism friendly space when completed.

Jane told us how important it is for children with Autism to get the help and support they need.

We talked about Julia the new resident on Sesame Street who has Autism and the videos Sesame Street have created to support Autism Awareness. Follow this link to watch the Autism Awareness videos produced by Sesame Street -

Following the questions asked today Lorraine suggested that we have someone come to talk to us about Autism.

Better Health Group

Amelia Boulton was unable to come to the meeting but sent us this update:

'It was great to see people from Rutland at our last better Health Group. They spent time thinking about what they would like to see at future meetings. We also discussed the work going on with LOROS Hospice.'

Rachel Manley and Tracey Gilbert talked us through the person centred service at day opportunities and the varied activities people are choosing to take part in. A display was available for everyone to look at. 9. Any Other Business

- ☀️ NHS England has produced '[An inclusive NHS 111 service](#)' to help people with a learning disability, autism or both, understand how and when to access the service, and what to expect. The film, created with the support of many self-advocacy groups, forms part of the ongoing work to ensure that everyone has access to NHS services. NHS 111 will also use the film to train advisors, helping them to better understand the needs of people with a learning disability, autism or both and make suitable adjustments during calls to accommodate them.

☀️ Darren Goddard told us that we may see more police around and we should not be worried about this as they are there to help us and keep us safe.

Tuesday, 13th June - Brightways Coffee Morning, 10am – 12 noon for Learning Disability and Transitions carers
