# Employment and Skills

Gemma Ruigrok, Rutland County Council

We had a Skills Session running for 5 weeks and this was well attended by people from ASC services with between 6 and 10 attendees each week

We have had a food safety session, and 13 SU's attended

We have one of our Young People undertaking work experience at Rutland Cake Company ( photo attached).

We have two adults working in a School and Nursery as volunteers, which is going extremely successfully.

If any one would like more training on:

- Money management
- Cooking

Please let me know and I will put on these sessions.

Tonight (28<sup>th</sup>) we have a session for SEND Young People ( under 30ish) on options available to them for getting into work – it's from 5-7 in Alstoe

# Autism Partnership Board

Lorraine Tarratt, Rutland County Council

- Autism Partnership Board is being re-developed at the moment.
- More information at the next meeting

# Better Health Group

Sam Screaton

- The Better Health Group had a talk about the health short breaks services
- We talked about the health checks and how many have been done
- We talked about the new health check template for the Drs and nurses to complete

- We talked about making a 'roller banner' which is like a big poster to put up at events to tell people about the health checks
- We said goodbye to Amelia one of the nurses in the team as it was her last day at work
