

We Need Your Help

We are going to build a new website for the Rutland Learning Disability and Autism Partnership Board and we need your ideas and views on how it should look!

We would like to invite you to come along to a friendly, informal workshop at Brightways on Tuesday 3 December, 10 to 12 noon.

Ken Holland, from WebEnable, (the company that looks after our website), will lead the workshop and he will listen to your ideas and views. He will then go back and build us a brand new website!

Our plan is to launch this new website at the first Partnership Board meeting of Spring 2020

Please let us know by **19th November** if you can come along - we will provide refreshments and lovely cakes!

If you can't come but have ideas on what should be on the website or how it should look, please do let us know either by email, phone or letter!
